

Capability Statement

Founded in 2007, Advait Consulting LLC is a privately held technology company in Fairfax, Virginia. We specialize in IT project management, environmental data entry, custom software design, programming, CMS website development, system administration, publishing web contents, cloud computing, software installation, turn-key automation and data systems solutions. Additionally, we provide support for maintaining and debugging COTS software.

We have experienced consultants with security clearances and functional and technical expertise. Our people are consistently rated above industry standards in client evaluations.

We work side-by-side with you to develop a customized package that aligns to your overall need in our secure facility.
